Hi Eva.

Just wanted to forward these comments we received from the 5 tribes and request an update on when we can expect EPA comments. Matt requested your review on July 19, so ideally we would be getting your response by the middle of next week.

Please let me know your projected schedule.

Thanks.

Hello Alex and Matt,

Thank you for the opportunity to comment on the Draft Source Control Decision for the Owens Corning Linnton - Roofing and Asphalt Facility site. Please let me know if you have any questions.

Best regards,

Rita
